Moses --middle-aged, plain, shabby-- stands alone.

Him?

GOD (O.S.)

Moses...

CAMERA WHIP PANS to the BURNING BUSH. Moses kneels at it.

GOD

(from the bush)

You've been chosen! You will say to Pharaoh, 'let my people go!'

MOSES

Hmmm... I don't think I can.

GOD

(from the bush)

No really. I'll help you do it.

MOSES

Are you sure? I-I don't s-speak very well. I have this stutter-

GOD

Yes! You're the guy. I'll go with you.

MOSES

Wow... you... with me... Yeah, I'm  
still not sure. Could you choose  
someone else?

The burning bush FLARES and explodes into a brilliant LIGHT  
around Moses.

CHARACTER TRANSITION ANIMATION

NARRATOR (V.O.)

And so he became-- a Guardian of  
Glory!

Moses receives a STAFF, TWO TABLETS, a number of SPELLS that  
pop up as ICONS (related to the plagues), and a GLORIOUS  
BEARD. +5 to charisma! Not so shabby anymore...

GOD (V.O.)

You're a wizard, Moses!

CONTINUE CUT SCENE

MUSIC ramps up as Moses and the Israelites stand at the Red  
Sea, with Pharaoh growling after him with an army.

MOSES

What do I do???

GOD

I gave you the staff. Use it!

Moses raises the staff and the Red Sea parts into giant walls  
of water.

MONTAGE GAMEPLAY DEMO and ANIMATED FOOTAGE

Guardians of Glory is a side-scrolling beat 'em up! Moses  
travels with David and raises his staff as a horde of minions  
falls to a WAVE OF WATER.

NARRATOR (V.O.)

Born during the slaughter of every  
Hebrew baby boy in Egypt. Saved to  
become the Prince of Egypt. Chosen  
by God to shout with melodramatic  
bravado-

MOSES

LET MY PEOPLE GO!

NARRATOR (V.O.)  
Given God's tablets, his holy  
commandments-

He conks some guys riding in chariots with the TABLETS. They

MOSES  
Lord, have mercy!

MANNA, like Frosted Flake cereal, falls from heaven.

ISRAELITE  
We wanted meat!

QUAIL falls from heaven. The Israelites eat it and start to  
throw up, some of it coming from their noses.
